Dear Friend:

Due to the generosity of people like yourself our campaigns have been very successful. We attempted to contact you previously by phone and were unable to reach you. We hoped that with a written request to all of our past supporters we could still count on your fine support!

Without sponsors like yourself, the POAM would not be able to advance our causes on behalf of over 10,000 members across Michigan. For decades, the POAM has served its members by providing a presence and an active lobbying effort at the State Capitol. This effort helps to educate legislators on the real issues of importance to our members, especially those that will improve the working conditions and benefits for police officers.

The money we raise will be used to contribute to political candidates who are committed to advancing pro-police causes. Our association endorses political candidates for state and federal offices who have either demonstrated or who have committed to support platforms or issues which are beneficial and supportive to the law enforcement community.

Your financial help will continue to ensure that our voice will be heard and that we will maintain a major influence in shaping the laws in our state. I hope you will take a moment today, and use the enclosed return envelope to send your check.

Thanks again for your support of the POAM Legislative Fund.

Sincerely,

Kenneth E. Grabowski
POAM Legislative Director
